SELECTED PROJECTS

HalalTrack - Halal Logistics Tracking & Traceability Platform [GitHub](#)

FYP Project | Gold Medal, Innovate IT Exhibition | Laravel 12, Flutter, MariaDB, Docker, GitHub Actions

- Built multi-role traceability workflows across admin, processor, logistics, retailer and consumer roles, covering batch lifecycle, QR verification and checkpoint submissions.
- Implemented Laravel backend modules for authorization, partner approval, certificate governance, manifest PDF export, incident reporting and route history.
- Prepared Dockerized runtime and GitHub Actions checks for backend tests, Flutter validation, image build and deployment scaffolding.

CampusTrack - Real-Time Campus Bus Tracking Platform [GitHub](#)

Java, Spring Boot, Spring Cloud Gateway, PostgreSQL, Angular/Ionic, Docker, WebSocket, Terraform, GCP

- Developed Spring Boot microservices for auth, route, stop, bus, trip, location and gateway services, each backed by separated PostgreSQL service databases.
- Implemented JWT/BCrypt authentication, admin transport management, driver trip workflows and WebSocket live GPS broadcasting for student route views.
- Prepared Docker Compose runtime, Nginx edge routing, Cloudflare Tunnel and Terraform/GitHub Actions scaffolding for cloud deployment.

RushB LMS DevOps Pipeline [GitHub](#)

Group Project | Spring Boot, Angular, MySQL, GitHub Actions, Docker Hub, Terraform, Kubernetes/k3s, GCP, New Relic

- Handled the CD and cloud deployment scope for a group LMS DevOps project with Spring Boot microservices, Angular frontend, API Gateway, Eureka and MySQL.
- Prepared GitHub Actions deployment workflow using Docker Hub images, Terraform-managed Google Cloud Compute Engine and k3s Kubernetes manifests.
- Configured deployment verification and monitoring support with Kubernetes service access, Cypress E2E workflow integration and New Relic deployment analysis.

PROFESSIONAL EXPERIENCE

Store Manager & Cashier, Souplady | Apr 2023 - Aug 2023

- Managed daily store operations, cashier transactions, customer service and outlet coordination in a fast-paced retail environment.

Retail Assistant, Alpha Mart | Mar 2021 - Jun 2021

- Handled stock ordering, shelf replenishment and customer assistance to support smooth daily store operations.

CERTIFICATIONS & AWARDS

- Gold Medal, Innovate IT FYP Exhibition** - awarded for HalalTrack final-year project exhibition.
- Cisco Certified Network Associate (CCNA)** - validates networking fundamentals including IP addressing, routing, switching and basic network security.
